Monthly Tournament Changes:

Firstly, you will notice on the revised entry form Evelyn sent out this week, you now have the option to CHOOSE which division you wish to compete in, instead of us telling you based on your average.

The Men's Division will go back to two (2) divisions, Open Men (Scratch), Graded Men (Handicap), if you choose the GRADED Division, the handicap system will be based off the HIGHEST averaged bowler competing in that division on the day.

The Ladies at this stage will be one division, and handicap will be applied based off the HIGHEST averaged bowler competing on the day.

(I apologise in advance as the entry form, we sent out doesn't quite match what I have mentioned above this has been rectified for the next flyer, my fault, when approving the entry form, forget to ask Evelyn to remove the average section as that no longer applies.

A Night to CELEBRATE our MEMBERS & their ACHIEVEMENTS:

Before taking over as President the committee decide it would be nice to put on a Presentation Dinner for all our members, present some AWARDS, have a nice dinner, some light entertainment, and show our valued members how much we APPRECIATE them. At this stage the details of the event are listed below:

Date: November 25th 2022

Venue: Camden Lakeside Golf Club

Time, Menu & cost for partners & visitors TBC

I want your Feedback on the following IDEA:

How would everyone feel if instead of having a combined Monthly Tournament/Masters like we did in February, we had a STAND ALONE weekend of State Championships & Masters in either January or December as this is the quietest time to book a centre for two days.

The Championship squads would be held on the Saturday & All Masters played on the Sunday.

Love to hear your thoughts.

Monthly Coaching Tip:

Coach has taken the month off to do Presidential Duties, PROMISE I'll be back with double the tips in the NEXT EDITION.

Good Luck & High Scoring
